MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

October 12, 2004

**SANTA CLARITA WINTER SHELTER**

For the past several years, the winter shelter program has been operated by a non-profit organization known as the Santa Clarita Community Development Corporation. The winter shelter program provides beds, hotel vouchers and case management services for the homeless population during the cold weather months of December 1<sup>st</sup> through March 15<sup>th</sup>. However, effective November 1<sup>st</sup>, the shelter's existing lease is scheduled to expire and the shelter does not have sufficient time to find an alternative location to operate the winter shelter program. According to a recent article, an estimated 10,000 people in Santa Clarita are at risk of becoming homeless, including women and children.

**I, THEREFORE MOVE THAT** the Board of Supervisors direct the Chief Administrator Officer and the Executive Director of the Los Angeles Homeless Services Authority to develop an immediate action plan, including a cost analysis that identifies alternative placements for the homeless population during the cold weather months. The plan should include the use of motel vouchers for an extended period of time and a site to offer case management services.
